Christmas for Our Troops
PO Box 10549
Midland, TX 79702-7549

Dear Christmas for Our Troops,

I want to express my sincere appreciation for the kindness and selflessness that you have shown to the Soldiers of the 1st Battalion, 64th Armor Regiment. My Soldiers, the Desert Rogues, have put in hours of work without so much as one complaint, and they are achieving mission success. Gratitude is truly shown on their faces when they receive a care package, and the time and effort you spent putting together these wonderful gifts is very much appreciated by all who receive them.

We thank you for all you have done and continue to do for the Desert Rogues. Your actions demonstrate true American pride in supporting our magnificent U.S. forces, and you greatly enhance our morale as we endeavor in the Global War on Terrorism. Again, I thank you for the support that you have shown my Battalion and to our great Nation.

Sincerely,
