To Mr. Scott Davis and The CFOT Inc.,

I finally got the chance to write and say Thank you for all that you do back home in sending care packages for the services members over seas. I apologize for the lateness of the letter, but I wanted to make sure that I at least sent a letter back to you all. Also to say Thank You to the VFW Post 4149. And to the letters I got from the children from across the U.S. We are grateful to receive care packages from back home and we feel even more appreciated for the work that we do when it's from people we don't know. For the reason that people take time out of their busy day to make a care package or write a letter for a service member. Thank you for all your support back home.

Sincerely,

Manuel Callejas
Sergeant USMC
