

Oh my goodness! I wrote  
already to thank you for  
a box my unit received. Today  
we received six more boxes  
today, so I felt the need to  
write again. Thank you  
so much for all the hard  
work you all put into our  
care packages. You are amazing

**Thinking of you  
at this special season  
and always.**

Merry Christmas again
